

*What if they get hurt playing on the team? What doctor will they see? How will you pay?*

**One call can give you answers...and peace of mind.**

Children's health insurance covers urgent health needs like accidents and sudden illness. But your kids will also get:

- Regular Check-ups
- Dental Care
- Prescription Drugs
- Immunizations

And you'll be in control, with insurance that makes you feel secure. Even if you've been turned down in the past, call or visit us online — and gain peace of mind knowing your kids are covered.
